☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

---

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: During the interview, Examiner explained the reasons why the claims lacks enablement of independent claims. According to present application specification, pages 22-27, it is understood that the policies are applied per application basis but not by the application that created the file, hence the claims as written "application creating the file applies the policies" lacks the enablement..
